

REGULATORY COMPLIANCE SOLUTIONS

PHARMACEUTICAL/BIOTECH

Raland Compliance Partners is your trusted partner delivering sustainable Quality, Regulatory, and Clinical compliance solutions.

Raland Compliance Partners (RCP) provides full life-cycle compliance consultation for **Pharmaceutical, Biotech,** and Medical Device companies worldwide. Whether you need the opinion of an ex-FDA consultant, strategic subject matter expertise, to mobilize a program or project team, or to just augment your existing clinical, quality, or regulatory organization, we're here to help. When you engage with RCP your support extends to the combined knowledge and expertise of our entire in-house team, leveraging decades of industry experience...we're not happy until you're happy.

RCP professionals can navigate the ever-changing US and international regulatory requirements, standards, and industry best-practices. Our Pharmaceutical/Biotech services include the following specialties and more:

- Strategic Planning and Risk Management
- Enforcement Action Response and Remediation
- Validation Master Planning
- Commissioning and Qualification
- Construction Management
- Product and Process Development and PAT
- Quality System Review/Development
- Auditing, Mock Inspections, and Gap Assessments
- Computer Systems Validation (ERP, LIMS, IT and Automation)
- Custom Training Development and Delivery
- Translation/Interpretation Services
